Our Buy Local and Save initiative has arrived!

Welcome to the Best of the Tablelands! We are a family-owned and operated business dedicated to showcasing the best services, businesses, and events in the stunning Atherton Tablelands region. Join us as we highlight local gems – shops to holiday houses and community events – fostering a vibrant, supportive local economy.

This initiative is about keeping it 100% local.

By connecting people, both visitors and locals, to spend with small businesses – we are providing an opportunity to forge new customer relationships as well as enhance the local economy. **We welcome all small businesses to be involved.**

“What’s the catch?” I hear you ask. **We are not asking for any money from you. Simply provide a great offer, a discounted rate or deal;** an offer that is only available by way of *Best of the Tablelands – Buy Local & Save*.

Your offer will be issued as a coupon, published in the *Best Of The Tablelands – Buy Local & Save* book. **Your coupon will be available for use throughout April 2026 – March 2027.** Or, if connected to an event, availability will be limited up to the date of that particular event.

This opportunity **provides you with free advertising** via the book. The book will be available for purchase from retail outlets and fundraising organisations.

There are **limited spots available** AND a small window of time to take up this opportunity. **You have until Friday 30th January 2026 to be part of this inaugural edition.**
